

End-User License Agreement

Last update: 27th Feb. 2025

For the purposes of this License Agreement, the “Vendor” is the “Soligno Technologies” organization, with official website www.interfaceequilibrator.com, and the “Software” is the computer program “Interface Equilibrator” that can be downloaded, as a binary executable file, through the Vendor’s website.

Please read this License Agreement very carefully before downloading, copying, or using the Software.

I. Notice

This License Agreement is a legal agreement between you and the Vendor. By downloading, copying, or using the Software, you agree to be bound by the terms of this License Agreement.

II. License Granting and Ownership

The Vendor does not grant you any rights in the Software. The Vendor grants you, by means of this License Agreement, a revocable, non-exclusive, limited right to download, copy, and use the Software on any computer, workstation, terminal, or device controlled by you.

All title, ownership rights, trade secrets and intellectual property rights in and to the Software and any and all copies thereof are and remains owned by the Vendor.

III. Restriction of Use

You are not allowed to:

- decompile, reverse engineer, disassemble, decode, attempt to derive the source code of, or decrypt the Software;
- make any modification, adaptation, improvement, enhancement, translation, or derivative work from the Software;
- violate any applicable laws, rules, or regulations in connection to your access or use of the Software;
- use the Software for creating a product, service, or software that is, directly or indirectly, competitive with or in any way a substitute for any service, product or software offered by the Vendor.
- download or obtain the Software from any online source that is not the Vendor’s official website.
- launch or run the Software on a Virtual Machine. A “Virtual Machine” is a software-only instance of a computer device, commonly a server, that runs on a physical computer, known as the host, using a portion of the physical resources (such as memory, storage, and processing) available on the host.

IV. Maintenance and Support

The Vendor does not guarantee any maintenance or support for the download and use of the Software.

V. Termination

The Vendor may terminate at any time this License Agreement and the rights afforded to you, if the Vendor deems, at his sole discretion, that you are failing to comply with this License Agreement.

Upon termination of this License Agreement, you shall cease all use of the Software and delete all copies of the Software.
